## TIPS FOR THE BLISSFUL EVENT

- ❖ Reservations are preferred at least six months in advance.
- ❖ Upon request, we can provide an itemized list of each individual's charges to be performed for the Bridal event. Remember have all girls come in with hair clean and dry with a button up shirt and any headpieces.
- ❖ To eliminate the design team from being rushed, please arrive at least 15 minutes prior to the scheduled services so that the participants can begin their service promptly which allows the bridal party to meet their departure time. An up do is a true piece of art, it takes time and thought.
- ❖ To eliminate undue stress, a trial run should be scheduled to prepare the perfect hairstyle for the wedding day.
- ❖ Hairstyles hold best when hair is washed the night prior to the appointment. Please use light styling aids if necessary.
- ❖ Please bring pictures of desired style. It is best to bring any ornaments at the time of your consultation so the stylist can create the best look for you.
- ❖ Spray tans should be done a day or two prior to your event day.

*We wish you the best of luck with planning and thank you  
in advance for choosing*
